

## Standard Literature And Teaching Repertoire by Period and Composer;

### Theory Studies;

All students are taught Major and minor scales, intervals, triad and chord construction, and diatonic chord function during their first through third year.

Following is a partial list of standard Western repertoire used to teach the craft. It is by no means all inclusive, nor does it represent everything I have surveyed during my lifetime.

### Technical Studies, (In order of difficulty);

Composer	Opus/Title of Work	Level
Duvernoy, J. B.	Op. 176, École Primaire	Upper Elementary
Burgmüller, J.	Op. 100 Twenty-Five Progressive Pieces	Upper Elementary
Czerny, C.	Op. 849 Thirty New Studies Op. 299 School Of Velocity Op. 740 The Art Of Dexterity	Lower Intermediate Middle Intermediate Upper Intermediate-Lower Advanced
Chopin, F.	Op. 10, Op. 25 Selected Etudes	Lower-Middle Advanced
